THE HONORARY PRESIDENT'S REPORT

Life Members, Honorary Secretary, Honorary Treasurer, Committee Members, Members and Associates of the Northbridge Cricket Club.

Ladies and Gentleman, It's with great pleasure that I thank you for your participation, and for joining us in celebration of our 90th year, as the oldest surviving club in the NSCA.

When most of us think about the season, we traditionally think the first round is the start of the season, but preparation starts well before August. Much time has been spent preparing the logistics for all members to enjoy. Most of the time spent is in addition to the many tasks that are with us in the day to day running of our business, family or social engagements.

The executives spend many hours piecing together all the information provided to create fun and enjoyment for all members. One wonders how they perform these tasks with such limited time, especially as these roles are volunteer roles. I'd like to think they do it for the love of the club, but more often it's their competitive drive and willingness to go the extra mile, time after time. You could think it's similar to the pursuit of that elusive wicket or even determination to bat on past 60 runs and score a successful century.

Whatever the reason, we must applaud the executive and general committee, for their achievement, as without their help, the club could not have put together 5 sides, 3 major events, sponsorship deals, or the 3 major results on the field.

Winning the A Res One Day final, and Grand Final appearances for both A Res and C One Day grades, makes all the hard work worthwhile.

Dedication over the past several years have paved the way for members to enjoy years to come through solid sponsorships. Unfortunately, many members took for granted the work performed, by not engaging themselves – with the many organised events; or simply found it hard to respond accordingly when directed via email. Our club is driven through an interactive platform, and at times it is hard to relay all information or engage to a mass audience – but as we continue to become time poor – more members need to get more involved.

Unfortunately things don't last forever and involvement is required by all members at some stage. Maybe it's time for you to get involved.

Like everything – without members to participate a team could not perform and enjoyment could be lost. Members, please ask yourself, have I given back to my club for these past years or am I just playing – expecting it all to be provided for me?

You only get achievements from the amount of effort you put in. It won't just happen, preparation or training needs to be performed by all players to ensure a happy day on the cricket field.

Members, I can inform you that our club is at its strongest point in the past decade, with a surplus of funds, larger membership base and a strong association presence.

So, it's with great pleasure and most sincere thanks to the executive and general committee for their work for the 2008/2009 cricket season. Our future looks good with new playing members taking on senior roles within the club. We ask for more members - especially those in lower grades to now get involved, whilst the club has a strong leadership base.

Northbridge has a wonderful history, this being our 90th year. To put this in perspective, our club was created at the end of World War I, before the Harbour Bridge was built and before the Great Depression had struck. Regardless of the decades that have passed, Northbridge has always had mate ship and the recognition of past members at its core; This year the NCC is inducting a past member and this is why many of our perpetual trophies are named after great past members. I encourage you all to familiarise yourself with our living and deceased life members, and those members of whom we have dedicated yearly trophies.

Our strategic plan is starting to reap rewards. We have increased our membership base through a pivotal website that is updated on numerous occasions, and through the continued support of sponsors we have dramatically improved our financial position.

Further to this, I'd like to thank, **The Commonwealth Bank, The Freeway Hotel and Berkeley Information Technology**, as major sponsors of the Northbridge Cricket Club.

I would like to take this opportunity to thank the captains and vice captains for their support throughout the season. Especially, for their excellent leadership, honesty and ensuring that our integrity is adhered to by using the correct code of conduct each week.

In 2004 the position of Secretary was handled by one person, but times have changed, so much so that the secretary position requires many people to fulfil the tasks, with the ever increasing workload of the running of the club. Thank to these players for the exceptional work performed this season.

Thanks to David Stonestreet for work with the preparation of the kits, and Ken Wood research.

Sincere thanks to Mark Naglost for his dedication at the start of the year with the playing logistics, payment system and precise and accurate detail with the main website; and the completion and pursuit of the Annual Report even in final days prior to print. This effectively was completed within a short time, combined with his extremely busy schedule.

Damien Fuller for his leadership, courage and ability to see things through all the way, not only playing and captaining his side but through his skills in connection with the administration of the clubs operations.

Most, grateful thanks to Ben Maw, for his insight and brain storming support throughout the year. At times, he was overwhelmed pursuing club work, with his own business in such high demand; but due to his competitive and winning edge he kept giving, so as not to let me or his peers down. Thank you Ben.

My final congratulations must go to a guy that has supported not only me, but the club in every aspect this year, with his dedication, support and at times attention to detail, all with a minimum of fuss. Mitch Nicholls has aspired to chairman of selectors, but further excelled in running the club

through a secretary involvement; and even took over the main secretary position at different times of the season. Thank you for all your service to the club in this historical 90th year.

To those members that are unfortunately leaving us this year, I'd like to extend the very best and ask that you keep us in your heart as the club that's most enjoyable.

Keep safe and good luck for the future.

Kind Regards,

Mitch Whyman
Honorary President

Good luck for 2009/2010.

ADDITIONAL CLUB AWARDS

10 Years Service

The 10 year service award is to recognise playing members that have given their time and service to the Northbridge Cricket Club year after year and had previously not been recognised.

We can't all be Life members but we all give as much time as possible to the club. With that in mind please understand that there may be players that have played more than ten years compared to others, or players that may deserve this award, who aren't with us anymore. In that last sentence alone there is your motivation to come back to the club. We need you, and so does the club.

So instead of awarding players for 100 games we have created a 10 years and over service award. This award is in appreciation for their loyalty and hard work for the club.

This year we do not have a recipient for this award. A number of players are getting very close to the 10 year mark, and many of them have contributed significantly to the club - so watch out next year!

NORTHBRIDGE CRICKET CLUB PERPETUAL TROPHIES

The Ken Wood Cup

The Club's perpetual major award, the "Ken Wood Cup" is awarded each season to the outstanding member of the club. This award was first awarded in the 1947/48 season in memory of Sergeant Ken Wood, who sadly died during World War II. When deciding the recipient of this award, the general committee takes into account performances on the cricket field, sportsmanship and other services rendered to the club.

The **nominees** for this award for the 2008/2009 season are listed below and include a short synopsis of their performances on and off the field.

Amit Gade

Amit captained the C One Day side to a grand final game, was a regular attendant at training, assisted with the winter-comp and helped recruit valuable new players to the 'bridge. Amit was also a committee member during the year. In addition he had a stellar year performance wise, taking in excess of 30 wickets at an average of ~15 and scoring a bucket loads of runs, including a century. Amit also picked up the association award for C-Grade averages.

Peter Stankovic

Peter captained the C Grade side throughout the year without so much as a whimper with regard to player availability. He also assisted greatly with getting the Northbridge honour board off the ground and onto the World Wide Web. This is all in addition to holding a senior position on the committee and providing many words of wisdom in that capacity. Peter also had a good year with the bat and picked up the association Achievement Award for his ongoing commitment to cricket.

David Stonestreet

Stoney put in a great deal of work in the early stages of the year before anybody else had even got the whiff of fresh cut grass and leather. Stoney assisted with the stock-take of the club's gear and with shopping for all the clubs new equipment. He also assisted with organising the Northbridge day at the cricket. He was an eager participant in the committee meetings and assisted with organising the gala day events. Stoney did not have a great year with the bat but was ever ready to support the A-Res team as a specialist fielder in their finals campaign.

Mitch Nicholls

Mitch was an email dynamo during the season. Last count of the President's email indicated he had 77 emails from Mitch between Jan 5th and April 5th. Mitch was a new member to the committee and was pulled in to provide assistance to Mark Naglost as club secretary. His initial duties were amorphous which resulted in him picking up more and more roles. First he was responsible for sending the MyCricket notifications then he became Chairman of Selectors and quasi responsible for the selection of the B Grade side, and almost totally responsible for MyCricket and permit applications through-out the year. When team selections had not been made by a Thursday afternoon he was the one that chased the captains. Mitch basically ensured, with the captain's help, that we actually fielded cricket team's week in and week out. This was all done while juggling the birth of his new son. Mitch again played games across multiple grades during the season, indicating his commitment to the club even when he wasn't available for a full 2 weeks. He was a solid contributor to the A Res pace attack and had a handy year with the bat, chipping in when most required.

Mitch Whyman

Mitch has lead from the front again this year, throwing ideas around like cupcakes and continually challenging the committee (with the ideas and the emails). Some of the ideas he gave birth to this year include; the 90th anniversary gala bash, the 90th anniversary stocking stuffer (cap), a co-operative agreement with junior feeder clubs, the Northbridge sports club, the pedal bar and more. He is so dedicated he even attended one of the committee meetings by telephone conference from the Gold Coast where he was on holidays. Mitch kicked off the year with the stock-takes, the shopping and pestering everybody for money. Mitch is the initiator of many of these ideas and does the hard ground work that is often unrecognisable in the finished product. He came through Christmas looking fit, a testament to his dedication to the club and his preparedness to fight for his spot in the A Res side. Unfortunately he didn't get as many wickets as he would like and was very disappointed to not be playing in the grand final.

Ben Maw

Ben and Stoney are inseparable so it was no surprise to find them (working) hand-in-hand in the early stage of the season doing stock-takes and buying cricket gear. Ben was minute secretary for the committee meetings. Ben also helped out with the gala day organisation, the Northbridge day at the cricket, and was responsible for organising the shirts and caps for all players paid up on time. In addition he dutifully picked up the A Res stand-in-captain for almost every game post-Christmas. Ben also had a great year with the ball and picked up 28 wickets during the regular season. Ben also played a significant role in securing sponsorship money at the start of the season.

Damian Fuller

Damian captained the A Res side in Kinga's absence and took a role this year with the committee. Damian helped out Mark early in the year with the Northbridge task list but took on more responsibilities with the A Res team pinching everybody else's players pre-Christmas and putting up with Nick May and about 5 other A Res captains on and off the field. Damian helped David with the gala day, particularly in attempting to acquire a liquor license, and he also assisted the club by writing draft emails for Mitch Whyman to assist with communications. Damian had a good year with bat and ball taking out the John Leslie player of the season award for A Reserve.

David Allan

David Allen worked tirelessly during the season to support the players and make the year enjoyable for all. He acted as distributor for the t-shirts and caps at the start of the season when he was out of action with an injury, and almost singlehandedly organised the gala day luncheon. In addition to this Dave has been instrumental in organising the presentation night and has become the clubs on-call catering expert. The A Reserve team was also honoured with the appearance of Brett Lee to support them at the outset of the grand final, thanks again to David.

The **winner** of the Ken Wood Cup this year is **Mitch Whyman**. Congratulations to **Mitch** for his outstanding commitment and service to the club this year. This is the third time Mitch has won this prestigious award and clearly demonstrates his ongoing commitment to the club. Mitch's tireless work for the club is almost expected of him, and often goes unnoticed.

His role as Honorary President results in him doing all the jobs that no-one else is willing to take on, and many more that no-one is even aware of. Not only does he complete all these without hesitation, he also has the drive and commitment to come up with new ways and means of improving the club.

He also often puts the club before his own interests when team selections are on the table; but when he does step foot on the hallowed turf, his will and determination inspires all, and his bowling prowess is often at its peak when the chips are down. A very worthy recipient and someone we are all proud to call our Honorary President. Well done Mitch!

The Lance Thornton Cup

The Lance Thornton Cup is awarded each season to the outstanding junior member of the club. Lance Thornton played cricket for Northbridge and was our Club Secretary. Lance was also Treasurer for the NSCA, and Northbridge Club Patron from 1979-1980.

This year saw **Abishek Deveraj** receive this award. Devaraj is a worthy recipient, a young player who joined Northbridge this year, and impressed immensely with the ball and in the field; and whose commitment to the game is an example for all club members. Deveraj took wickets in 11 of the 14 matches where he bowled, with a total of 24 wickets taken, at an average of 14.8, and best bowling figures of 3/11. Deveraj also took 8 catches.

The Stephen Peak Trophy

The Stephen Peak Trophy is a new award introduced two seasons ago. Stephen played cricket for Northbridge, was our Club Treasurer and Vice Captain of our A-Reserve Grade Team in 2005/06. Stephen tragically passed away in the off-season at the age of 33. This award is in memory of Stephen and his commitment on and off the field. The award is designed to recognise the Players Player – voted by the players on a 3-2-1 basis, week in week out. Any member, in any team of the club can win this award.

This 3-2-1 votes are scaled based on the number of games played by each team. This is to compensate for our One Day sides, which play a significantly larger number of games each season compared to our other teams.

This year saw **Amit Gade** receive this award. Amit is a worthy and outstanding recipient, who played in both the A Reserve Grade and the C One Day Grade Northbridge teams this season. Amit received 21.9% of the votes in C One Day Grade.

NORTHERN SUBURBS CRICKET ASSOCIATION TROPHIES

We would also like to congratulate **Daniel Zatz, Chris Davies, Jesus Luque, David Welsh, Arjun Dhir** and **Peter Stankovic** for taking out Association awards this year.

Daniel Zatz and **Chris Davies** were commended for their umpiring efforts. **Jesus Luque** took out the NSCA Wicket Keeping Award for A Reserve Grade, **David Welsh** took out the NSCA Bowling Aggregate Award for B One Day Grade and **Arjun Dhir** took out the NSCA Wicket Keeping Award for C One Day Grade.

Peter Stankovic took out the NSCA Achievement Award for his long term contribution to cricket.

These are all great honours, especially given the fierce competition across these Grades.

A RESERVE GRADE CAPTAIN'S REPORT – Kingsley Chapman & Damian Fuller

Part 1

Absolutely tremendous year and no doubt the best team the Northbridge Cricket Club has compiled since the turn of the century. We had all facets of the game covered and a list of suitable players waiting a call up from the lower grades who would mould into the team with ease. As a captain it made selections much harder however it was a good position to be in, and a position which the other captains were envious of. It kept players honest in the top grade and those contesting more competitive in their respective teams. Firstly my many thanks to the 'core' 8 players that the top team always requires to be successful. Unfortunately I was not one of them with 'fleeting' appearances due to other commitments but I congratulate those players and Damian Fuller for his inspirational leadership and a season he can be very proud of.

Reviewing a fine season is difficult to keep to a single page. We only lost to one team the entire season and won more games than any other team. We won the **ONE DAY TROPHY** and were **GRAND FINALIST**. We averaged 236 runs a game!! and won 80% of our games played. 5 batsmen scored over 200 runs, 6 bowlers more than 10 wickets with Fuller and Maw getting nearly 30 each! (Greeny loves my stats – I won't disappoint) To say this was an improvement on the past season is an understatement and I believe this was due to the introduction of the old 'Bears' trio who are now blooded Bridge members. The added strength that Benny Munro, Rolfey, and the 'Cougar' (Cruttenden) provided particularly in the middle order was clearly noted by all. I do hope all ex-Bears players have found a new home at Northbridge and from a Captain's perspective, their involvement and input across all grades was fantastic. It is very rare that players from another club enter a 'rival' club and make such an impact however this is exactly what they did. I am sure all members of Northbridge stand next to me and breathe a collective sigh of relief to have you padded up in the middle with them. As a captain for a few years now, all players' performances across all grades are noted from our magnificent C1 day, ever changing B1 day, and ageless C grade.

I will not forget our returning members of Northbridge in A-Reserve grade and their performances contributed to our team success. There was not one player who excelled, it was all players that pulled the whites on and walked out in company of ten mates. I really enjoy not only the cricket we share on the field, but the banter and comradeship off the field. As a club we have our characters with most seem to be in A-Reserve grade. It is for this reason that this draws each of us back for another season with Northbridge.

I stress that not one player had the responsibility to get runs, take catches or bowl a thousand miles per hour and get 100 wickets. Every player had their success from Jesus Luque's ton, batting and keeping prowess (easily association award), Ben Maw and Damian Fuller's many wickets, Nitin Raikar's six for, and Andrew Rolfe's consistent runs. I applaud the captaincy of Damian Fuller to introduce Nick May to the opener's position, a move which clearly worked with Nick scoring runs at ease with a strike rate close to 6 runs a ball!! I too scored a century in Round 1 I will not forget and have the DVD from Stoney to prove it. I thank Ben Maw for his 50 and our partnership of 130 runs for the 9th wicket must be a record of some sorts. We scored 120 runs in the last 6 over's and really broke the 'Ranga's' mighty red heart of North Shore. Unfortunately Benny didn't score more than 3 runs after this game but I am sure grateful he walked into the middle that day.

A great season by all and as players we have to acknowledge the efforts of our president Mitch Whyman and the committee members. We are a club moving in the right direction and actively seeking improvements both on and off the field. This is our 90th YEAR!! and it would be very hard to find another cricket club at our level across Australia that has such a rich history. Every current Northbridge Cricket Club member that walks onto the hallowed fields of the lower North Shore should reflect on our past and remember that only a select few have shared this same experience. Be proud and congratulations to you all.

Lastly, thanks Damo for your efforts this year. You scored over 200 runs and took nearly 30 wickets whilst leading one of the best Northbridge teams ever. I push our promotion to A-grade next season as our club requires a team at the ultimate position. A team to be proud of, a team to inspire others, a team to display our club's ethos, and a team to encourage our mate Stoney back into the runs!!!

Yours in Cricket
Kingsley Chapman

Part 2

As we walk away from the park at the end of each season it is those fleeting moments of glory, spectacle, reflex, comradeship and comedy that we cherish through the dark, cold winter, waiting for the next season to begin. Here are a few of those moments I will take with me through this winter, waiting to reunite with the multitudinous sub-vice-captains of the A-reserve team of season 2008/2009.

- Ben maw's smashing 50 and Kinga's heroic ton in Round one against North Shore to kick the season off.
- A huge team total of 313 declared in round 2 against an undermanned Longueville Hotel side with Jesus leading the charge with 110.
- Ben Maw terrorising the hated foe OICC in Round 3 to take 5/45 and bowling so fast we dropped 12 catches, including 2 successive catches by Nitin who pleaded to be banished to fine leg. Ben's bowling was so ferocious that first slip even suggested we change the bowling to give them a chance of catching it, or at least ask him to slow down!
- Winning against Mosman in round 4 despite being 5/8 with batsman 1,2,3 and 6 all getting ducks. Having an opening bat who had only returned from Thailand 2 hours previous with no sleep and the Bangkok rot. An opposition keeper with food poisoning. Ben Maw ripping the top order to have them 4/9 and Nitin cleaning up the rest with an astonishing 6/19 from 4 overs and Nick May smashing 26 off the 6th over of our second dig. This was arguably the birth of Nick May the Opener.
- An opening stand of 136 between Nick May and Jesus Luque in Round 8 against North Shore to set us up for an outright attempt.
- The Wanderers captains' heat fuelled on-field implosion at St Ives during the heart of summer.
- Trouncing Mossman for 55 in the last game of the season with bowling magician Anthony Greenhill taking 4/10 in a trance. Greeny doubled up and took 4 /25 against North Shore in the semi-final to secure his spot in the GF bowling attack.
- The two screamers that Nick May took during the season, one where he was horizontal low and to his right at gully during the semi-final against North Shore and the other high and to his left in first slip at Blackman upper against Mosman.

- Rolfey's gutsy dig of 62 against a deplorable OICC team at Artarmon reserve and an arrogant grade cricketer getting a wakeup call when he was run-out backing up too far at the non-strikers end and failing again during the grand final.
- Another gutsy dig by Rolfey in the GF which was backed up by a swashbuckling innings from Anthony Greenhill and determined innings from Iain Crossing that gave us an opportunity to defend a target beyond the psychologically important 150 barrier.

B GRADE OVERVIEW

Unfortunately our B Grade side was withdrawn after 4 rounds. Our active and available player numbers were far lower than we had expected and this resulted in the B One Day side and B Grade side merging into a single B One Day team.

B ONE DAY GRADE CAPTAIN'S REPORT – Enzo Calabria & Scott Earl

This year or should I say the 2008/2009 season was purely an experimental year to say the least, for the newly formed Northbridge team in the B1 day competition. The season started and finished with a loss but the team showed some true grit and determination to be competitive in a higher grade of cricket. The elimination of small errors that encompassed the team, could of changed some narrow loses to close fought wins, but alas it was not meant to be.

The B1 team showcased plenty of character and characters, and carried on to perform to their best, regardless of the results and strength of the opposition throughout the season. I would like to thank the numerous players that played in the grade throughout the season for their efforts and never say die attitude. Sometimes the best laid plans for the season and individual games can end up emulating an episode of Faulty Towers: Chaotic, amusing, bewildering and likened to being smacked around physically and verbally like an incompetent, confused Spanish waiter.

The B1 day team did manage one win, and how fitting the win was against the Neutral Bay Jets who somehow won the first game by some blundering umpire decisions and purely unsportsmanlike behaviour. The win was under the captaincy of Scott Earl who managed to score at a good pace in the last ten overs, after a platform was established by a classy 87 from opener Andrew Greenlees.

Special mention goes to Dave Welsh who played all the B1 games this season. Dave bowled an exceptional line and length and was unlucky not have had three or four more wickets in each game, if all the chances he created were converted. Without Dave's bowling the opposition scores would have been much higher that is for sure!

Overall the B1 day side were outclassed by their opponents, purely due to circumstances beyond their control, as a lot of teams do field A grade players to accommodate players who want to play the 1 day game. Fittingly enough, and as mentioned, the majority of the team who previously came fourth in C1 day last season competed quite admirably and I give credit to all players who week after week knew the odds were against them. Well done.

C GRADE CAPTAIN'S REPORT – Peter Stankovic

The season had everything – draws, losses, washouts, a bye, a win and plenty of interesting moments. The team included experienced as well as very young players who should form the springboard for future years. We had more than half a dozen new recruits and this is a promising sign.

It was encouraging to see both Scott Meulman (batting) and Robert Meulman (bowling) improve during the course of the season. Aaron Byrnes also improved his bowling as the season progressed and he should be a fine opening bowler next season. His fielding was athletic and he succeeded in taking the most catches as well as the most grazes from diving for balls, something I can only witness from afar. Alexander Stankovic showed maturity in his batting, scoring his first fifty for the club and displaying a newfound confidence and assurance when at the wicket. His brother, Michael Stankovic, took his first couple of wickets with his leg spin bowling and showed ability with the bat but not enough patience.

Andrew Moss and Michael Quirk both had some good outings with the ball. If they maintain consistency in more games, the C Grade attack should be formidable in future.

In the batting, some of the players who've been with the club for years proved that they still have something to offer. Neil Rickard, Geoff Meulman, David Mills and yours truly all had days when things went well.

Also one cannot forget the enthusiasm of our group, particularly Stephen Sharah who talked throughout each match as though ball by ball commentary was required. Greg Parker was keen and even took balls on the head as he tried in vain to catch them. It should be said however that Greg held 4 catches and batted with spirit and determination. He tried on one occasion to run out the captain when he attempted to lap him going for three. Daniel Zatz was another who couldn't be kept quiet and one wonders what could have been achieved had these guys combined against the opposition.

It was a fun year for some, so I'm told, but that could have been the beer talking. I would like to thank all who participated and trust that Northbridge will see them back again.

C ONE DAY GRADE CAPTAIN'S REPORT – Amit Gade

It was truly an awesome run we had. This was the team which had 3 players to start the season with. This was the team from which there were least expectations. This was the team in spite of all odds & tremendous support from the club made it to the Grand Finals. The first ever C 1 day Grand Finals.

The first game v/s North Sydney was an achievement for us, just for the fact that we could manage to get 11 players on the ground. We got to know each other; we lost a very close game, just to realize later we probably played one of the best teams in the competition. Eventually we managed to beat them in the Semi Finals. The most memorable game was the fourth match of the season v/s Lindfield Ramrods. We got bowled out for shameful 58, but not to be undone 'Northbridge Tigers' were ready to take on. Lindfield thought it was a walk in the park, reversed their batting order & within the next hour found themselves panicking, 8 down for 35 runs. Though we lost, but this game built our character, more importantly brought us together as a team and as a cohesive unit. We realized our potentials & gave us the confidence that 'yes we can do it'. This game was probably the birth of Abhishek & Ravish as the most lethal opening bowling combination of the competition. Ravish's 5 wicket haul in this game was really special.

One of my favorite games was against the No.1 team Kirribilli Crusaders (former champions), we beat them in their own backyard in a nail biter. We handed them their first defeat of the tournament & not surprisingly this was the very next game after Lindfield. Amit Bagla with his brilliant all-round performance of 50 runs & 4 wickets along with Micheal Smith the late addition into the batting line up, sealed the game with a scintillating knock.

The other game to be mentioned would be round 15, where we played North Sydney again, which was a must win game to make it further. Virat Shah was added to the team half an hour before the game. North Sydney was cruising along, when this dude added feather to the club by taking a crucial hat-trick. I guess the only hat-trick of the grade. Well done Virat..!. In the end it turned out to be an easy win for us.

One more extra-ordinary victory in the next game ensured we are number 3 in the ladder & would be facing the number 2 team North Sydney in the Semi Finals.

The reason for our success in the Semis was a total team effort in bowling, batting & fielding. On a small ground where one could easily score 300 or above. We bowled them out for 184. Great bowling effort by all of us. Ajay Chinnivar & Paul Swan ended up batting us to the glory without much damage.

Then came the grand finals, where we bowled & fielded tremendously. Our middle order collapse after great start by Chris Davies, Ajay Chinnivar & Paul Swan saw us bowled out for 147. The 'Tigers' of the bridge were again roaring to go, did everything they could. In the end in a nail biter saw Lindfield Ramrods achieve the target in the second last over. It was a great team effort to defend such a small total against a great batting team & the boys almost did it.

I would like to thank Steve Morrison & Chris Gaggin for their vital contributions with the ball in the competition. I am also thankful to James Clancy, Palash Dave, Pradeep Gadepally, Varun, Luke Curtis, Luke Baranswoki, Shailendra Patel, Robert Waters, Ken Clarke, Amit Bagla & Micheal Tracey for their commitment and efforts during the season.

The following individuals & their contributions were the highlight of the team's success & made all of us feel proud;

- Alex Davey-Single handedly crushed North Shore, was very very unlucky to miss the hat-trick.
- James Clancy-His confident knock of 32 gave us our first win of the tournament v/s Cammeray.
- Chris Davies-Would always try to hold his end, remained 31 not out & saw us win v/s North Sydney in a must win game.
- Abhishek Devraj-was too quick & fast even to get a nick, almost unplayable at his best. Can knock anybody ..Don't mess with him..!
- Ravish Patel-Always consistent, was a great support to Abhishek.His figures in Grand Finals 8-1-15-1 made me really proud. Even handy with bat too.
- Dheeraj Sharma-He is reason why I got so many wickets, anything & everything hit to him was in his iron hands. Scored a superb 33* v/s North Shore & guided us to victory.
- Paul Swan-We missed him for the first half of the season, I haven't seen anybody hitting the ball that hard. Scored 135 v/s Cammeray in no time with 10 sixes.
- Ajay Chinnivar-Always reliable, when opening the batting, scored a beautiful century v/s Roseville,also showed his class with the bat in the both the finals.
- Jaspreet Singh-Performed considerably well with the bat & bowl, classy part time wicket keeper too.

There are 2 individuals here who need a special mention;

Arjun Dhir-Wall behind the wickets & front of the wickets too. It was his shot in the semis which got us into the finals. Was easily the best wicket keeper of the competition. It was because of his help & support; I could manage & captain the team. Thanks dude.!

Jonas Berglund-As fast as lightning on the field, by all means the most improved player of the club. Scored breezy 15 runs v/s The Bats. Always ready to help & put his hand up whenever needed. Along with him Anna (his GF) also needs a special mention, she was our official scorer. Thanks a lot Jonas & Anna, you guys made a lot of difference & made us feel special too.

This tournament also got lot of good things out of me as well, I don't think so I have bowled so well ever before. It also gave me a great learning experience as a captain. I sincerely thank all of you to make it happen. It was just all of you, who made it possible such a memorable run. Looking forward to play with you guys in all the coming years too.

Yours sincerely,
Amit Gade

THE FINAL WORD FROM THE 12th MAN

In our 90th year it seems only fitting to reflect on past seasons and past events. The most important event of the past 90 years is most certainly World War 2. This event changed the world, however, as the excerpt below from the NSCA Annual Report of 1939-40 shows, it didn't stop cricket being played.

Your executive has decided to carry on the competitions during the forthcoming season so long as conditions allow. No doubt some variations will be necessary, but there are many of our members engaged in essential services, many over and under military age, and by providing them with recreation we feel sure it will be in the interests of everyone.

To those many players who have answered the call we wish God speed, and a safe return after victory is assured, and with the sincere hope that this time next year the black clouds will have disappeared.

To those Hon. Secretaries and Officials of clubs who are still with us, I appeal for their whole-hearted co-operation as in past years, so that we can help keep the flag flying at home, and do all in our power to assist those of our fellow-members who have joined the fighting forces in the effort to defeat the cruel aggression which is threatening our Empire.

For and on behalf of the Council,

RAY ANDERSON,
Hon. Secretary.

July, 1940.

The Final Thought

Some of our fellow players however, did not return. One player who holds a very special place in the Northbridge Cricket Club is Ken Wood. Ken died defending our nation and he will be forever remembered. The excerpt below was taken from NSCA Annual Report of 1944-45 and is a fitting end to this our 90th Annual Report.

We should never forget the sacrifices our fellow Australians made on the battlefield, so that we may spend our Saturday afternoons on the cricket field.

Let us all hope that in our 91st year all NSCA teams return to play with the respect and honour with which our fallen past members would expect.

L. Walker (Kirribilli), R.A.A.F.

After the conclusion of last season wonderful news was received that war in Europe had ceased, with complete victory for the Allied Forces.

Unfortunately the Pacific War is still raging and the majority of our 500 members in the Forces are scattered far and wide assisting to overcome the remaining Axis partner who, it is hoped, will be speedily overcome and peace once more restored.

It is pleasing to learn that some of our members who were prisoners of war have been released, and it is to be hoped the time is not far distant when the balance of our boys will be freed after their long captivity.

It is to be regretted that so far 13 of our players have lost their lives.
